MEMORANDUM FOR: Deputy Director of Central Intelligence  
 FROM: Director of Central Intelligence  
 SUBJECT: National Intelligence Council

Will you put out a notice that designates Waterman Vice Chairman of the NIC. The attached memorandum reflects the discussion between Meyer and Waterman as to how each Vice Chairman should be designated. If there is going to be any designation each of them should be designated. I would suggest Meyer be designated VC/NIC for Production and Waterman be designated VC/NIC for Policy and Collection. Essentially I am looking for Meyer to ride herd on the management, production and editorial process and Waterman on relations with the policy community on tasking collection, cross cutting themes, contingency taking and so on.

  
 William J. Casey
